With Winter in full blast with both snow and arctic cold temperatures, we had to cancel the January BOD meeting.

At the January membership meeting, both Dan Chuppa and Fran Meinke will remain on our Board of Directors.

We did very well at the TCA Winter train meet, even with all the cold weather. A very big thank you to Eddy, Phil and Rob for manning the show.

We have added three events during our closed season. First we have added 'Celebrating Abraham Lincoln Birthday on February 13th. We are doing this as a joint venture with the Lake County Historical Society. (see page 5).

The second event that has been added is back by popular demand, we have added a second "O" gauge model train sale day on February 21st. (see page 6).

Railfest Dinner is just around the corner on March 21st, 2026 and Railfest Model Train Show will be here before you know it. We have 10 tables. See pages 9 & 10.

We have also added a ghost hunt on the anniversary of the Lincoln Funeral Train passing by our station on April 28, 1865. (see page 8)

The Memorial Plaque "Last Train Ride" is now complete. (see page 4).

New Collinwood 999 T-shirts have been ordered, both V-neck and crew neck. (see page 3).

As we have now expanded our WiFi to the Engine Barn we are now in the process of adding new security cameras in the barn.

We are looking at redesigning our web page.

Be safe.

# Paranormal Investigation

On April 28th, 1865 the Lincoln Funeral Train past by our station on its way to Springfield, Illinois. Legend has it that on the anniversary of that day, you can still hear the ghost train as it passes by our station.

We are doing a Paranormal Investigation on April 28th to see if the legend is true.

Join the ladies of [The Haunted Housewives](#) for a paranormal investigation of the Painesville Railroad Museum (aka The Painesville Depot) on Tuesday, April 28th, 2026 from 9:00 pm to Mid-

night! This historic building, built in 1893, was used as a passenger depot up until 1971. Also check out the trolley from 1865. This haunted building has more than its share of paranormal activity. Would you like to join a small group of investigators searching to discover the evidence to support that claim?
